

## ABOUT THE INSTITUTION

The College is named after the great social reformer and freedom fighter Sri. T.K. Madhavan who stood for the upliftment of backward classes. He was born and brought up in a prominent Ezhava family in Karthikappally Taluk. From the days of his childhood, he became conscious of the outrageous insults and ill treatment suffered by his fellow beings under the rigours of the caste system. In his youth he became an ardent and faithful follower of Sree Narayana Guru. Inspired by the grand spiritual vision of the Guru, he dedicated his life to the cause of the oppressed masses. He was an admirer of Gandhian philosophy also. The 'Vaikom Satyagraha', organised by him with the blessings of Sree Narayana Guru and Mahatma Gandhi in 1924 was a momentous event in the freedom struggle of India and a turning point in the long struggle for the eradication of untouchability. In deference to the rousing call of the Guru "to be strong through organisation", as the organising secretary of SNDP Yogam, he gave the organisation its present structure and created a mass base. His selfless and relentless striving for the uplift of the downtrodden wrecked him physically and financially. His untimely death at the age of 45 was an irreparable loss to Kerala's reformist movement. We, the people of Kerala, owe him much.

As a tribute to his selfless service to humanity this temple of learning was established in 1964 through the combined efforts of Karthikappally, Karunagappally and Mavelikkara SNDP Unions. Sri. R. Shankar, former Chief Minister of Kerala and the Founder Manager of Sree Narayana Colleges, formally inaugurated the college on July 4, 1964. Like Sri. R. Sankar, Sri. T.K. Madhavan, was also inspired by the edict of the Guru "to be enlightened through education". Sri. R. Sankar's mature vision and pragmatic approach resulted in the establishment of 16 Sree Naryana Colleges through out Kerala that are living monuments of the great Guru. During the last five decades T.K. Madhava Memorial College has carved a niche for itself among this illustrious cluster of institutions.

The mission of the College is to mould young men and women committed to the pursuit of truth, compassion and moral excellence upholding the doctrines of Sree Narayana Guru.

$SCPA = \text{Total Credit Points} / \text{Total Credits} = 119.8 / 20 = 5.99 = D \text{ Grade}$

For the successful completion of a semester, a student has to score a minimum SCPA of 4.00 (E Grade). However, a student is permitted to move to the next semester irrespective of his / her SCPA.

### 17. Cumulative Credit Point Average (CCPA)

CCPA Indicates the broad academic level of performance of the student in a programme. It is obtained by dividing the sum of

the credit points in all the courses taken by the student for the entire programme by the total number of credit.

### Overall Grade in a Programme

Percentage of marks	CCPA	Letter Grade
90 and above	> or = 9	A+ Outstanding
80 to <90	8 to <9	A Excellence
70 to <80	7 to <8	B Very Good
60 to <70	6 to <7	C Good
50 to <60	5 to <6	D Satisfactory
40 to <50	4 to <5	E Adequate
Below 40	<4	F Failure

For the successful completion of a Programme and award of the Degree, a student must pass all Courses satisfying the minimum Credit requirement of 120 and must score a minimum CCPA of 4.00 or an overall grade of E.

#### **18. Repetition of the Semester Courses:**

Students who fail to secure the minimum required aggregate attendance during a semester shall be given one chance to repeat the semester along with the subsequent batch of students after obtaining re-admission and they will have to repeat the CE for all Courses.

The normal duration of the First Degree Programme shall be three years consisting of six semesters. No students shall be allowed to complete the programme by attending more than 12 continuous semesters.

#### **19. Re-appearance of Failed Students:**

Students who fail shall have to reappear for the ESE of the same along with the next regular batch of students. Candidates who fail

to score 'E' grade in the ESE in any of the Course/Courses have to reappear for the ESE of the Course/Courses Concerned with next regular batch of students. The number of chances or such appearances is limited to 5 and the same have to be done within a period of 12 continuous semesters including the semester in which they have first appeared.

However, students who fail to secure SCPA of 4.00 have to reappear for the ESE with the next regular batch of students for such courses for which they have secured the least Grade for improving the SCPA. Here also the number of appearance is limited to 5 and the same has to be done within a period of 12 continuous semesters including the semester in which they have first appeared.

In both cases (i.e. failure to obtain 'E' Grade for individual Course/Courses and 'SCPA of 4.00) students shall not be allowed to repeat the semester, but the marks secured by them for the CE part shall be carried over and added to the marks obtained in the ESE they reappear. However, those who fail in the CE (i.e. those who fail to secure a minimum of 'E' grade) will have one chance to improve the same (except the marks for attendance) along with next regular batch of students.

## **20. Improvement of ESE**

Candidates who have successfully completed the semester, but wish to improve their marks for the ESE shall have only one chance for the same along with the next immediate regular batch of students. In this case, the better marks obtained shall be considered for the calculation of SCPA.

## **21. Grace Marks**

Grace Marks shall be awarded for Sports/Arts/NCC/NSS in recognition of meritorious achievements.

## **GOOD MANNERS AND CONDUCT ON THE CAMPUS**

1. When a student meets a member of the teaching staff of the college inside the campus or outside, it is a matter of politeness that he/she should greet the teacher.
2. When a teacher enters the class, the students must keep standing, until the teacher has permitted them to sit down or he/she occupies his/her seat.
3. Students should keep with them texts and note books required for the classes.
4. No student shall leave the classroom during a lecture without the permission of the teacher.
5. Students who happen to have no class should not loiter in the corridors/verandas during the class hours.
6. Students are forbidden to attend or organise any meeting in the college or to collect any money for any purpose without the permission of the principal. They should not circulate among the students any notice or paste it any where in the college premises, without written sanction of the Principal.
7. Habitual negligence of studies, dishonesty, obscenity in words or any other act of misconduct will invite severe disciplinary action.
8. Students are forbidden to make any mark on the furniture or on the walls of the college.
9. Students are expected to be neatly and suitably dressed in their class as well as at any gathering within the college premises.
10. Any damage done to college property will have to be made good.
11. Students who have no class to attend at any particular hour should remain in the reading room.
12. Every student is expected to take part in one or more of the games for which facilities are provided by the college.

## **2021 INTERNATIONAL YEAR OF FRUITS AND VEGETABLES**

Almost all flowering plants on earth bear fruits of which some are considered vegetables. However, only few are cultivated across the globe as staple food source and cereals dominated the list. This is simply because only few species could be domesticated with ease by our forager turned agriculturist ancestors. This means plants which are bulk of vitamin and mineral providers are still not used properly by mankind. In historical and evolutionary point of view, from time immemorial all the animals are indebted to fruits and vegetables for the very healthy sustenance. Like many other territories, our Keralam have a long list of underutilized fruits although they are available a plenty all over our blessed geography. To name a few, they are Wild jack (Anjili chakka), Custard apple (Seethappazham), Bush plum (Kaarakka), Stone apple (Koovalam), Star fruit (Vajrappuli), Mulberry etc..

This year let us dedicate our resources and attention to rejuvenate such gifts of Nature.
