- Observed their academic and personal environments to acquire the skill of communication
- Motivate students to imbibe habits to improve their communication skill in various ways
- Encourage students to participate in various activities that gives prominence in communication development

## List of activities

### Powering Speech: A Session on English Speaking Skills 2020

“Communication leads to community, that is, to understanding, intimacy and mutual valuing.”

Rollo May

American Psychologist

Communication makes everything possible. Communication is the basis of life itself. Good communication makes one possible to live better in the society and to an extent it can be a scale to judge a person’s character. Being a global language English is not less important, rather inevitable, in the present scenario.

In order to make the students of TKMM College Nangiarkulangara, more capable and competent in communication, especially in English speaking skills, the college has a Communication Skill Development Committee.

For the year 2019-20, the Committee had conducted a session on English speaking skill development named 'Powering Speech'. The session began at 10.30 am with Daiva Dashakam and chaired by Dr PP Sharmila, the College Principal. The Committee convenor Smt Sarsha T S has welcomed everyone to the function. The session was handled by Mr Rajesh Mohan, communication trainer, Overseas English Academy. Although three hours is a short span of time, the students were instilled with a bunch of information and could fill an amount of confidence in them. The vote of thanks was given by Miss Sreya M, Second Semester BA English student. Session ended at 1 pm.

Powering Speech was a series of classes held in various departments in the College for the following days. All the other members of the Committee, Mrs. E V Savitha and Dr. Divya Dinesh from the Dept. of Chemistry, Dr. Parvathy U, Mrs. Soumya V S and Mr Hemand from the Dept. of English had done various roles in arranging the classes.
