

## **T.K.M.M COLLEGE, NANGIARKULANGARA**

### **Scholar Support Programme Report 2019-20**

**SSP Coordinator : Smt. Savitha E V (Dept. of Chemistry)**

#### **Objectives:-**

1. Improvement in academic performance of low scoring students.
2. Increase in pass percentage of the identified papers.
3. Decrease the student drop-out rate.
4. Increase in perceived support in college.
5. Increase in self-confidence and self-esteem.

#### **Action Plan:-**

1. Identify the neediest students from various Departments with the help of the college council and tutors and persuade them warmly to enroll in the programme.
2. With the help the tutor/ internal trainer, identify the papers (subjects) for which subject coaching is required and record the same.
3. Discuss possible means to manage the identified papers and areas with the respective trainer/tutor.
4. Persuade the students to continue in the program. Maintain a warm and personal connect with each student enrolled.
5. Collect attendance reports and other records from all internal teachers.
6. Collect and maintain the record of the academic performance and attendance of each participating student in each semester.
7. With the help of the college council, seek the cooperation of all Departments in preventing drop outs from the college.

#### **Activity Report 2019-20**

The Government of Kerala had launched the Scholar Support Programme (SSP) in the Government Arts & Science Colleges during 2012-13. It was extended to 27 Aided Arts & Science Colleges during 2013-14. The Programme were implemented in all the Aided Arts & Science Colleges in 2014-15. The Scholar Support Programme aims at imparting personalized additional support to needy students through Tutorials, study materials, additional lectures, question banks and interactive sessions, formation of Quality circles in colleges for the programme, dissemination of classes through Personal and Web based modes etc. This Programme helped students to understand subjects in easy manner. Financial assistance for the programme given by the Directorate of Collegiate Education, --Government of kerala.

The students of the First Semester UG Programmes had made aware of the Programme. Applications were invited from them and selection was done by the college. Students having less than 60% aggregate marks in the qualifying examination and who need some additional support in identified subjects alone were included in the Programme. However, it was not possible to identify such students; students having the lowest percentage of marks in the qualifying examination from among the applicants were selected. Students having marks up to 80% were also included in the programme considering their interest for getting extra support.

A monitoring committee was formed including Principal, coordinators of IQAC, SSP, WWS members and student's coordinator for proper functioning of programmes of new initiatives. Selection of needy subjects, students and faculty members were selected by college council and SSP monitoring committee. Faculty diary, activity report and all other forms issued by office of new initiatives were given to all faculty members

Internal and External Mentoring sessions of SSP for I<sup>st</sup> and II<sup>nd</sup> Year students were successfully conducted in T.K.M.M College during the academic year 2019-20. Students from different departments of T.K.M.M College benefited from the programme. Internal mentoring sessions for I<sup>st</sup> year were conducted in five subjects – Mathematics, English, Economics, Industrial Chemistry and Zoology and for II<sup>nd</sup> year also conducted in five subjects-Commerce, English, Economics, Industrial Chemistry and Zoology. In I<sup>st</sup> year eight students from these departments and in II<sup>nd</sup> year ten students from Ecomics department, six students from Industrial Chemistry department and eight students each from other departments were included in the main list of scholars for SSP. General English batch

consisted of eight students from different departments included. Hence a total of 80 students were in the main batch of SSP including Ist year and II<sup>nd</sup> year. Due to constant absenteeism of certain students, they were substituted with other scholars. The revised list of scholars is attached to this report.
