WALK WITH A SCHOLAR PROGRAMME REPORT 2016-17

Walk With a Scholar (WWS) scheme proposes to arrange specialized mentoring programs for students in Under Graduate Programme in Arts, Science and Commerce and to provide guidance for their future. The scheme introduces the idea of mentoring and builds on the concept of mentor as a 'Guide' and 'Friend'. The mentoring scheme for students will be purely voluntary in nature. It will be open for all students entering the first year of the Under Graduate Programme of Study.

The Scheme aims at giving necessary orientation to needy students, to prepare them for employment and give them necessary guidance, motivation and necessary mental support to identify appropriate areas for higher study as well as employment. The mentoring scheme were planned to identify the opportunities available for the scholars, the areas suitable for them, the manner in which the scholar should proceed before them and evolve ways by which they can be acquired.

The students of First Year UG Programme made aware of the Programme, for which, a meeting of the first year UG students convened at the college level and the scheme and objectives of the programme explained to them. The selection procedure includes the following.

- Applications invited from willing candidates for enrolment .
- Students selected for the Programme have secured at least 60% marks At the Higher Secondary/Plus Two level. This stipulation of minimum marks were not applicable for SC/ST students
- The number of students identified under WWS Scheme,not exceed 30.the number of applicants exceeds 30, method of selecting the required number of students ,the neediest students and those genuinely interested in the scheme alone are selected

The following steps were included for Identification of internal and external Mentors:

- For the purpose of mentoring, two categories of mentors were identified .One , 'Internal Mentor' and the second one 'External Mentor'
- The Internal mentor was a faculty from the Institution in which the student (Scholar) is studying, who are able to do mentoring and support the scholars and act as a Guide, in building their career. Each Internal Mentor were in charge of 6 students. So an institution admitting 30 students in the WWS Scheme must identify 5 Internal Mentors.
- The list of Internal Mentors identified by the Institution were forwarded to the Directorate of Collegiate Education
- Internal Mentors provided training/instructions by the Directorate of Collegiate Education/Higher Education Department, in imparting guidance to the students. The schedule related to the Training Programme were intimated to the Colleges at tie to time

- **External Mentors were identified from persons working in Industry, as well as from Professions like Engineering, Medicine, Architecture, Law, Hospitality, Media, Business, Teaching, Administration or from any field as found necessary according to the local needs of the Institution/students. External Mentors were persons working in the State and Central Public sector. Reputed persons from Private sector also be identified as External mentors. Proven expertise and merit were the criterion followed for identifying External Mentors. Consent of the person ensured before including a person as an External Mentor. External Mentors identified by the institution locally or they can be identified from the list made available by the Higher Education Department/ Collegiate Education department.**
- **The college level committee identified necessary mentoring hours in an academic year (15 hours per Internal Mentor for 5 Mentors) for Internal Mentoring**
- **The schedule for the mentoring were decided at the Institutional level and intimated to the Director of Collegiate Education. Proper records related to the attendance of students and mentors were maintained.**

The progress of the Scholar were evaluated at regular intervals by the Internal and External Mentors and necessary corrective measures taken to meet the desired objective of the wws mentees.
