

# POLICIES OF PUBLICATION

**IRIDESCENT VISIONS** is a **non-profit, peer-reviewed multidisciplinary research journal** published annually by **T. K. Madhava Memorial College, Nangiarkulangara**. The journal is committed to maintaining the highest standards of academic quality and integrity in scholarly publishing.

---

## 1. Scope and Objective

- The journal publishes **original research articles** and **review papers** across a broad range of disciplines, including **science, language, literature, art, history, and culture**.
- It aims to **promote interdisciplinary scholarship**, encourage research culture, and contribute to knowledge dissemination in alignment with academic and ethical standards.

## 2. Peer-Review and Editorial Process

- All submissions undergo a **double-blind peer-review process** to ensure the **accuracy, originality, and scholarly value** of the content.
- The **Editorial Board reserves the right** to accept, request revisions, or reject manuscripts based on the recommendations of peer reviewers.
- Authors are expected to **comply with ethical standards**, including honest reporting of data and appropriate citations.

## 3. Ethical Guidelines

- Plagiarism, duplicate submissions, or other forms of academic misconduct are strictly prohibited.
- The journal adheres to established **research ethics and publication standards**, ensuring transparency and accountability.

## 4. Copyright and Open Access

- Authors retain **copyright** of their work.
- By submitting a manuscript, authors grant the journal the right to publish the article **in print and/or online for academic and non-commercial purposes**.
